Dear National Representative,

The reporting and the distressing images of the devastating floods in Pakistan have been seen throughout the world. It has been estimated that there has been almost 200% more rain than average between June and August and that almost 33% of the country is underwater. Given that 60% of the geographical area of Pakistan is mountainous (Agricultural Statistics Pakistan 2013) that make the scale of the devastation of homes and lives unimaginable. IIW HQ has received enquiries about what IIW clubs can do to contribute and how they can help.

The IIW Executive has agreed to create a fund to provide whatever assistance it can, immediately and in the aftermath of the receding flood waters. It will take several weeks for the dedicated bank account to be ready, so, any donations to the account below will be transferred by IIW when the new account is ready:

Bank Sort Code	40-08-22
Account number	71471880
Account Name:	INTERNATIONAL INNER WHEEL – Number 2 account
(IBAN)	GB96HBUK40082271471880
BIC/SWIFT	HBUKGB4116K

Many of the Inner Wheel districts and clubs in Pakistan have mobilised to help the victims. It is proposed that a share the donations made to the IIW fund will be redistributed via them to the victims, as they are most aware of what is required.

Please provide this information to your Inner Wheel members and thank you for your support.

Yours in Friendship
