Dear National Representative

10th February 2023

Turkey/Syria Earthquake Appeal

As you will be aware the earthquake in southern Turkey and Syria has led to widespread devastation and a terrible loss of life. IIW has been asked to act as a collecting point for donations.

The high priority action is to organise to send an immediate cash donation from IIW funds to each of the two districts in Turkey. (There are no Clubs in Syria.) The Clubs in Turkey are not in the affected area, but obviously they are closer to the situation and will know what is required going forward. It will no doubt be a long-term effort to restore and rebuild.

If your members feel able to contribute please send donations (noted as "IIW Earthquake Appeal" on the bank transfer paperwork) to:

Account Name: IIW Earthquake Appeal
Account Sort Code: **01-08-38**
Account Number: **54997992**
BIC: **NWBKGB2L**
IBAN: **GB96NWBK01083854997992**

IIW will be sending condolences and donations as soon as they can to the NR and Districts in Turkey and will ask them to report back on how the donations have been spent in due course.

Please provide this information to your members.

Yours in Friendship
